

INVESTOR SEEKING ACQUISITION – PROJECT LEAN

Opportunity

We are currently working with a highly motivated and ambitious investor who is looking for either an acquisition or willing to support an existing management team who wish to undertake a Management Buy Out.

A pragmatic Chartered Accountant with over 25 years experience of working in SME businesses, the investor has exceptional finance and operations skills to enhance any financial investment. Has own funds to invest from a previous successful investment.

The Investor appreciates the importance of deal confidentiality and can move quickly.

Key criteria

Our client is looking for a business that has any number of the following characteristics:

- Development and/or manufacture/assembly of speciality products (possibly own brand)
- Serving potential growth markets and/or sectors
- Turnover between £2 Million and £10 Million
- Second tier management team in need of support to complete an MBO
- Opportunity to extend export sales into new markets/territories
- Location could be Yorkshire, Lancashire, East Midlands and the North East
- Business may be under-performing and capable of benefiting from lean manufacturing
