R & D Tax Relief Health Check

Yes, I would like to receive a free Research & Development Tax Credit Health Check

The Research & Development (R&D) tax credit health check will:

- Identify if you are eligible for R&D Tax Relief / Credit claims
- Be undertaken by an R&D Tax specialist

A specialist R&D Tax Consultant will deal with the R&D claim in its entirety for you.

Fees are **contingent upon success**. You only pay if you receive a cash benefit.

Research & Development Tax Credit Health Check

I would like to take advantage of the free Health Check service from Hart Shaw to establish if we can reclaim cash.

(Subject to the level of demand for an R&D Tax Credit review, please allow up to 4 weeks for the review)

R & D Tax Relief Health Check

If the answer is 'YES' to ANY of the questions below then the company may be able to claim substantial cash back from HMRC

- Does the company undertake the development of new products / processes?
- Is the company creating new or improved products?
- Is the company aiming to duplicate existing products or processes in an appreciably improved way?
- Has the company made advancements in its field of work?
- Does the company employ technical staff, engineers, software developers or scientists?
- Does the company consider itself technically innovative?
- Does the company spend money on staff costs, consumables and / or sub-contractor costs in order to undertake the development work?
